Personal information:

Karen and I have been members at St. John's for one year. Previously we were members at Our Lady of Victory for 34 years. We have two grown children and three grandchildren.

I am employed at Duke Energy in Grid Management.

Number of Years in the Parish: One

Parish & Personal

Involvement: I have signed up for new usher training at STJB. I ushered for 18 years at Our Lady of Victory in Delhi. Ushering is a great way to meet parishioners. While at OLV, I served on Finance Commission for 10 years, Education Commission for 6 years, taught Religious Ed (PSR) for 4 years, and head coach or assistant coach for many baseball and softball seasons.

My ushering duties at OLV included three years as Head Usher which also involved a position on the Worship Commission.

Parish Council Objectives: Parish Council offers opportunities that are not found elsewhere in the Parish. I want to be on the team that sets the strategies to re-engage the parishioners at STJB. This will involve more than Parish Council as we identify and work with those interested in reaching our spiritual, community and financial goals.
